

South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

Project Area: Wagner Park, The Battery, Rector Place
Date: March 14, 2025

The following work, from 7 AM to 6 PM unless otherwise noted, is anticipated through **Friday, March 28, 2025**, but may be subject to change due to scheduling or weather:

- Interior construction and utility work for the new Wagner Park Pavilion, including on Saturdays from 7am to 6pm
- Excavation, conduit installation, and backfill on Battery Place between First Place and Little West Street for electrical service to the new Wagner Park Pavilion. [Read the Travel Advisory here.](#)
- At Rector Place, the tide gate chamber has been successfully installed and site restoration is ongoing
- Installation of site utilities, concrete structures, pavements, soils, and stone in Wagner Park and behind MJH
- Installation of floodwalls around MJH, First Place, Wagner Park, Pier A Plaza and the Battery
- Construction staging in approximately 80 feet of the parking lane on Battery Place
- Material deliveries will continue, with increased truck traffic south of First Place on Battery Place
 - ✓ Flaggers are on-site to direct trucks for public safety and traffic control.
 - ✓ Pedestrian / vehicular access along Battery Place & surrounding streets will be maintained at all times.
